

## Operation Newstart Northern COVID-19 Safety Measures

### For students

Operation Newstart Northern continues to place the health and safety of our students and staff as its highest priority. To ensure that our program is delivered in an appropriate and COVID-19 safe way, the following measures have been implemented.

#### At commencement of the program:

- You will receive an Operation Newstart COVID-19 Safety Measures for Students information and guidelines. Your program teacher will go through this information thoroughly with you.

#### Prior to student pick up - Bus set up:

- All bus seats will be spaced out to allow for social distancing.

- Hand sanitiser will be available on the bus for use before and after the program.

- Universal masks will be available for use on the bus.

- Universal gloves will be available for use on the bus.

- The bus will be thoroughly cleaned and disinfected before and after each program.

#### Throughout the program:

- All staff and students will be required to wear universal masks and gloves at all times.
- All staff and students will be required to maintain a 1.5 m social distance from other people at all times.
- All staff and students will be required to wash their hands with running water and antibacterial liquid hand wash before the start of each day and after eating food, after using the toilet and when returning from breaks.
- Universal hand sanitiser will be available for use at all times.
- Universal gloves will be available for use at all times.

**Any student who comes to the program with any sign of an illness will be asked to go home after parent contact**

#### Throughout the day
